

FREEDOM IS CONTROL

BLACK THE FALL

After decades of toil, an old machinist plots his escape from the oppressive grasp of the Communist regime. Through hidden passages, shadow and grief, he struggles. Ingenuity, reflexes and deception are his tools. Along the road, he befriends the most unlikely creature, an abandoned little robot. Could they escape this bleak and deadly world, together?

MANIPULATE

Harness the power of a stolen designator tool to manipulate both man and machine.

OUTSMART

Unravel the puzzles buried within the oppressive atmosphere of a dystopian dictatorship.

ALLY

Befriend a lonely lost robot and earn its loyal companionship.

UPRISE

Take your shot at overthrowing a Communist State inspired by real world events.

ABOUT THE GAME
